What happens if several people are interested in letting the same property as me?
If there is more than one household interested in letting the property that you are interested in, we will decide which household is allocated the property. When deciding this, we will take account of factors such as:
- your waiting time on Cork City Council's waiting list,
- your family size,
- the type of property needed,
- your category under the Allocation Scheme, and
- good Estate Management.

We will only contact the successful applicant. We make offers subject to Garda checks, interview and Estate Management clearance.

Why is CBL being introduced?
CBL is being introduced as part of the Social Housing Strategy 2020. It will show you available properties for letting. It has worked well elsewhere. We believe it will work well here too.

Summary
This is an information leaflet about a system called Choice Based Letting (CBL) which is due to start in October 2015. You will be contacted by letter at that time if you have a qualified Social Housing Support application on Cork City Council's Social Housing Support Waiting list telling you how to use the system.
